Dear Sean

This year's FORMULA 1 Santander British Grand Prix was, once again, a tremendous success. Over 305,000 fans enjoyed good racing and fabulous weather over a fantastic weekend. The new sections of track performed extremely well, with many of the overtaking manoeuvres in those parts of the circuit.

Considering we had less than 6 full months to get up and running, I think everyone involved performed exceptionally well and the weekend's tremendous success is entirely down to an outstanding team effort.

Many thanks for the invaluable part you played and my sincere thanks for a job well done!

Yours sincerely

Richard Phillips
Managing Director
